

## COSTA RICA GLOBAL LEARNING PROGRAMS

### PROGRAM: **BREAK OUT OF THE CLASSROOM! WHY AND HOW TO INTERNATIONALIZE YOUR COURSE**

Program Focus  
**Recommended Major:**  
Any major - for faculty

Duration:  
**6 weeks online  
(12 hours)**

Level of study:  
**Professional  
- for faculty**

#### Description:

This program is designed to guide faculty on how to design a short-term international field experience to integrate into a course that they already teach.

During the program, while working step-by-step through a best-practices guide, faculty will reflect on and discuss the importance of internationalization for students in their programs and begin to plan an integrated global field experience for one of their courses while making considerations for designing an inclusive experience that all can enjoy.
