

ULATINA

PROGRAM: **SPANISH, BUSINESS AND SUSTAINABLE DEVELOPMENT IN LATIN AMERICA**

Program Focus

Recommended Major:

Summer programs (business, sustainability and social responsibility)

Duration:
6 weeks

Level of study:
Undergraduate

Description:

This program provides students with the opportunity to study different business strategies, as well as public-private schemes aimed to contribute to sustainable development in Latin America. Site visits to relevant public institutions and private companies, in addition to field trips centered on ongoing development projects, are also included to complement the learning process. The program's complimentary activities will give students a taste of the Costa Rican people and culture. This program also includes Spanish classes at an intermediate and advanced level. Offered between May and August.
