

CPI SPANISH SCHOOL

ABOUT US

The CPI Spanish institute, founded in 1991, offers 4 different study locations: the city, the cloud forest, the beach, and virtually through our CPI Online platform. Our short, intensive courses are ideal for high school & university students as well as professionals, permitting rapid and effective language acquisition. CPI Spanish courses are adapted to solo travelers; options for professor-guided group travel are also available.

CERTIFICATIONS

CPI is an Accredited Center of the Instituto Cervantes of Spain
New Mexico State University, USA:
partner for university transfer Spanish credits

VALUE PROPOSITION

At CPI you are guaranteed a unique learning experience thanks to the complement of effective, customized academic programs with varied study ambiances, whether you select an on-site Spanish immersive experience at any of our pleasantly appointed & modern campuses in Costa Rica, or should you decide to initiate your linguistic journey through our successful online Spanish program. On-site, our students access 24/7 the cultural richness that is synonymous to Costa Rica, experiencing diverse settings at our 3 in-country campuses and exciting tourist activities.

OUR OFFER

CPI offers a variety of programs, available according to specific interests, age & skill level:

TEENS: CPI Spanish provides classes to assist with Advanced & IB course work, as well as Spanish focused university entrance exams.

UNIVERSITY STUDENTS: direct credit option available through your Registrar OR just learn Spanish for fun!

PROFESSIONALS: we can help you develop your Spanish skills for work.

With CPI the learning possibilities are endless: from serious study or university credits, to an educational vacation, to a cultural adventure – you choose!
