

VALUE PROPOSITION

We maintain and preserve our international recognition and standing as an Institute of Spanish Language study through a dedication to excellence. Due to our extensive experience and demanding international clientele, the development of our courses and classes guarantees a coherent and systematic deployment of our pedagogical program. Teachers devote their efforts to meeting the student's personal and academic learning objectives. Our mission is to evolve competencies as Spanish language learners, creating an unforgettable experience for all.

ABOUT WAYRA SPANISH INSTITUTE

The Wayra Spanish Institute is an esteemed organization whose reputation of excellence has earned it international recognition and prestige. Our philosophy of teaching the Spanish language incorporates eclectic learning strategies that include: differentiated classroom instruction, cooperative learning, contextual student exchange, supplemental social activities that strengthen concepts from the classroom and finally, all instruction is ultimately reinforced by exposure to a total immersion in our Latin American culture. Our institute both adheres to and is committed to an innovative model of high academic standards. Our educators are steadfast in employing state-of-the-art methodologies honing their craft through continuing education and ongoing professional development. They augment their pedagogical aptitude with an enthusiastic, caring and pleasant demeanor. Founded in 1996, our school is committed to full student satisfaction in the acquisition of Spanish as a second language. The Wayra campus is surrounded by natural beauty, beaches, a tropical garden, outdoor classrooms and a dynamic diverse international atmosphere. This idyllic paradise lends itself as an optimal locale for an all-inclusive learning experience.
