Description:

ULACIT offers international students wishing to study abroad in Costa Rica the opportunity to enroll in top quality academic courses at the undergraduate level in English or Spanish. Students coming from both partner universities and or non partner universities, as well as recently graduated highschool students looking for a Gap year experience, are eligible for admittance.

Students can enroll in up to five undergraduate courses per academic period. Each academic course covers 45 contact hours per season (1 lesson each week for 15 weeks), representing 3US credits or 6 ECTS credits per course per period. At the end of the program, students will receive an accredited transcript of grades.

For spring, summer and fall semesters international exchange students can choose a mix of undergraduate courses either in spanish language or taught 100% in the English language.
